Michelle Green Willner, Ph.D.
Director
The Jewish Community Children's Choir

Dear Michelle,

It is my great pleasure to express the profound gratitude of everyone at the Simon Wiesenthal Center Museum of Tolerance to you for your outstanding contribution to the Yom Hashoah program this year.

Beginning the program with the Jewish Community Children's Choir under your direction set the perfect tone for the event. The selection of songs you chose, the original arrangements, beautiful composition and inspired delivery reflect your extraordinary talent and professionalism. The children's voices were angelic and uplifting. Please find enclosed several photographs of the momentous occasion.

Thank you for bringing your choir to the Museum for this important event. It is a true joy to work with you and we look forward to collaborating on many future programs.

With best wishes and warmest regards,

Liebe
